

Marvelous In Our Eyes (Wintley Phipps)
<http://www.youtube.com/watch?v=hYOeP4bdjLA>

Verse 1

A Man of sorrows
God's rejected stone
Despised by the builders
Left to stand alone
Still You kept on loving
All our sins you called your own
Laying Your foundation to become our cornerstone

Chorus

Lord, You're marvelous in our eyes
While we were yet sinners
You came and died
yes Lord, You're marvelous in our eyes
A more excellent Savior than words can describe
No longer rejected
Now You're glorified
Lord, You're marvelous, marvelous* in our eyes

Verse 2

A master builder
You taught us all Your skills
And left us with instructions
On how you'd have us build
May we be worthy craftsmen
Fulfilling all Your plans
With You as our foundation
The Rock on which we stand

REPEAT CHORUS

BRIDGE

Wonderful, Mighty God, Everlasting King
