

O THAT MEN WOULD WORSHIP – Stephen Hurd

Lead/Chorus

O that men would worship

O that men would cast their crowns

At the feet of Jesus, heavy burdens to lay down

(Repeat 2xs – First time as solo. Second time as choir in unison)

Verse 1

Teaching sons and daughters

Helping wives to hear the sound

Molding generations, to live holy all around

Chorus (Harmony)

O that men would worship

O that men would cast their crowns

At the feet of Jesus, heavy burdens to lay down

Verse 2

Cares and worries lifted

All our fears are laid to the side

In your presence we are hidden Jesus

Be our rock and be our guide

Verse 3 (as Choir)

God help men to love you

To obey your holy word

Give us hope and vision

So that men will love you Lord, yes we're men who love you Lord

Cares and worries lifted

All our fears laid to the side

In your presence hidden

Be our rock Lord, be our guide
